LONG-TERM DISABILITY BENEFITS

If you become Disabled due to an Injury or Sickness, while insured under the Policy, we will pay the Monthly Benefit. Benefits begin after you satisfy the Elimination Period.

ELIMINATION PERIOD

The Elimination Period is the later of:

- a) 180 calendar days; or
- b) the date your Policyholder-sponsored short-term disability benefits from us end.

For purposes of accumulating days of Disability to satisfy the Elimination Period, the following will apply:

- a) a period of Disability will be treated as continuous during the Elimination Period unless Disability stops for more than 180 accumulated days during the Elimination Period; and
- b) days in which you return to work for a full work day as verified by Policyholder records will not count towards the Elimination Period.

The Elimination Period begins on the first day of Disability. If you are not continuously Disabled, the Elimination Period must be satisfied within a period of time which does not exceed two times the length of the Elimination Period; otherwise, a new Elimination Period will apply.

MONTHLY BENEFIT CALCULATION

When less than a full month of Disability benefits is due, a pro rata benefit will be paid for each day of Disability. This pro rata benefit is equal to 1/30th of your Monthly Benefit.

Monthly Benefit for Total Disability

If you are Disabled and earning less than 20% of your Basic Monthly Earnings, the Monthly Benefit while Disabled is the lesser of:

- a) 60% of your Basic Monthly Earnings, less Other Income Sources; or
- b) the Maximum Monthly Benefit, less any Other Income Sources.

Monthly Benefit for Partial Disability

You may work for wage or profit and, after a Monthly Benefit has been paid for 2 years, receive up to 85% of your Basic Monthly Earnings while Disabled. As an incentive to work while Disabled, you will receive the Monthly Benefit for Total Disability, unless the sum of:

- a) the Gross Monthly Benefit while you are Disabled; plus
- b) Current Earnings;

exceeds 100% of your Basic Monthly Earnings. If this sum exceeds 100% of your Basic Monthly Earnings, the Monthly Benefit for Partial Disability will be reduced by that excess amount.

OTHER INCOME SOURCES

We take into account the total of all your income from other sources of income in determining the amount of your Monthly Benefit. Your Other Income Sources include any amounts you receive or are eligible to receive as a result of your Disability or the Sickness and/or Injury that caused, in whole or in part, your Disability. Other Income Sources also include retirement payments and family leave benefits received for any reason.

Other Income Sources include:

- a) payments under:
 - 1. a workers' compensation law;
 - 2. an occupational disease law;
 - 3. the Jones Act, (Title 46 United States Code Section 688); or
 - 4. any other law of similar intent;

- b) any amount under another group short-term or long-term disability insurance policy or plan for which the Policyholder has paid any part of the cost or for which the Policyholder has made payroll deductions, except any group short-term or long-term disability insurance policy or plan underwritten by United of Omaha Life Insurance Company;
- c) disability income payments under any:
 - 1. state compulsory benefit act or law;
 - 2. government retirement system as a result of your job with the Policyholder; or
 - 3. work loss provision in a no-fault motor vehicle insurance plan, as allowed by state law;
- d) any amount you receive as a result of any city, state or federal or Policyholder-sponsored family leave benefit or any other law, rule or regulation providing a family leave benefit;
- e) the amount you:
 - 1. receive as retirement payments when you reach the normal retirement age defined under the Policyholder's Retirement Plan;
 - 2. voluntarily elect to receive as retirement payments prior to reaching the normal retirement age defined under the Policyholder's Retirement Plan; or
 - 3. receive or are eligible to receive as a disability benefit under the Policyholder's Retirement Plan prior to reaching the normal retirement age;
- f) any amount payable as:
 - 1. salary continuance, except paid time off (PTO) that is not specified as sick leave, vacation and any earned time off program;
 - 2. sick leave;
 - 3. maternity; or
 - 4. severance allowance;
- g) any amount from a third party (after subtracting attorneys' fees) by judgment, settlement or otherwise;
- h) any amount from any unemployment insurance law or program; and
- i) any benefits you or your Spouse or Dependent Child receive or are eligible to receive as a result of your disability or retirement payments under:
 - 1. the U.S. Social Security Act;
 - 2. the Canada Pension Plan;
 - 3. the Quebec Pension Plan;
 - 4. the Railroad Retirement Act;
 - 5. any similar plan or act.

We will not reduce your Monthly Benefit by your Social Security retirement income if your Disability begins after your Social Security Normal Retirement Age and you were already receiving Social Security retirement benefits.

Any income benefits your Spouse or Dependent Child receives or is eligible to receive as a result of his or her own disability under the U.S. Social Security Act are not included in Other Income Sources.

EXPLANATION OF OTHER INCOME SOURCES

You must apply for and pursue Other Income Sources for which you are or may become eligible, including but not limited to Social Security disability and/or dependent benefits, and do what is needed to obtain them. If your application or claim for Other Income Sources is denied, we may require that you appeal the decision to a level that is satisfactory to us and provide written proof of all levels of appeal.

As part of your proof of Disability, we require that you furnish evidence to us that you have applied for and pursued Other Income Sources for which you are or may become eligible.

After the initial reduction for each type of Other Income Sources, we will not further reduce your Monthly Benefit due to any cost of living increases payable under such type of Other Income Sources.

Other Income Sources that are paid in a lump sum will be prorated on a monthly basis over a period for which the sum is given. If no time period is stated, the sum will be prorated on a monthly basis over the lesser of the following:

- a) the Policy's Maximum Benefit Period; or
- b) 12 equal payments.

If Other Income Sources are paid on a retroactive basis, we may reduce or suspend the Monthly Benefit to recover any overpayment.

Regardless of how funds from a Retirement Plan are distributed, we will consider your contributions and the Policyholder’s contributions to be distributed simultaneously during your lifetime.

We will pay the full amount of the Monthly Benefit if you:

- a) apply for Other Income Sources; and
- b) sign our Reimbursement Agreement.

Until you have signed our Reimbursement Agreement and have given written proof to us that application has been made or all available appeals have been exhausted for Other Income Sources, we may:

- a) estimate your Other Income Sources; and
- b) reduce your Monthly Benefit by that amount.

If we reduce your benefit on this basis, and if all of your appeals are denied, we will restore your Monthly Benefit amount and refund any underpayment to you in a lump sum.

ASSISTANCE WITH FILING FOR SOCIAL SECURITY DISABILITY BENEFITS

We can arrange for advice regarding your claim for Social Security disability benefits and assist you with your application or appeal. In order to be eligible for assistance, you must be receiving Monthly Benefits from us.

Receiving Social Security disability benefits may enable:

- a) you to receive Medicare after 24 months of disability payments;
- b) you to protect your Social Security retirement benefits; and
- c) your family to be eligible for Social Security disability benefits.

We can arrange assistance in obtaining Social Security disability benefits by:

- a) helping you find appropriate representation;
- b) obtaining medical and vocational evidence; and
- c) reimbursing pre-approved case management expense.

INTEGRATION ABOVE 100% OF COMBINED EARNINGS

Your Monthly Benefit, as calculated above, will be reduced by the amount of salary continuance, sick leave benefits, severance allowance, and maternity for which you are eligible or that you receive from the Policyholder that, when combined with your Gross Monthly Benefit, exceeds 100% of your Basic Monthly Earnings. The Monthly Benefit will be reduced by such amount to the extent the Monthly Benefit exceeds 100% of your Basic Monthly Earnings.

MINIMUM BENEFIT

As long as you are Disabled your Monthly Benefit will never be less than \$100, unless we reduce the Monthly Benefit to recover an overpayment, as provided for in the REFUND TO US provision. If we reduce the Monthly Benefit to recover an overpayment, your Monthly Benefit may be reduced to zero until we fully recover the overpayment.

MAXIMUM BENEFIT PERIOD

If you are Disabled because of an Injury or Sickness, we will pay benefits as follows, subject to any limitations described in this Certificate.

Age at Disability	Maximum Benefit Period
61 or less.....	to age 65, your Social Security Normal Retirement Age (SSNRA), or 3 years and 6 months, whichever is longest;
62.....	your SSNRA, or 3 years and 6 months,

63.....	whichever is longer; your SSNRA, or 3 years,
64.....	whichever is longer; your SSNRA, or 2 years and 6 months,
65.....	whichever is longer; 2 years;
66.....	1 year and 9 months;
67.....	1 year and 6 months;
68.....	1 year and 3 months;
69 or over.....	1 year.

WHEN DISABILITY BENEFITS END

Benefits will be paid during a period of Disability until the earliest of the day:

- a) you are no longer Disabled;
- b) you die;
- c) the Maximum Benefit Period ends;
- d) you fail to provide us satisfactory proof of continuous Disability;
- e) you fail to provide us satisfactory Proof of Earnings;
- f) you have been incarcerated or imprisoned for 31 days or longer;
- g) you fail to comply with our request for a medical examination as explained in the INDEPENDENT EXAMINATION provision of the Claims Provisions;
- h) you are able to pursue any health exam required to obtain your professional license, occupational license, or certification and do not do so;
- i) you are not under Regular Medical Care for the Injury or Sickness that caused the Disability;
- j) you are able to return to work with the Policyholder on a part-time or Full-Time basis and do not do so; or
- k) we have paid you 12 Monthly Benefit payments, if you reside outside the U.S., its territories or possessions, or Canada. You will be considered to reside outside the U.S., its territories or possessions, or Canada for a total of six months or more during any twelve consecutive month period during which you were continuously Disabled.

If you are eligible to receive Disability payments on the day the Policy ends, benefits will continue subject to all other Policy provisions.

RECURRENT DISABILITY

A Recurrent Disability will be treated as part of your prior claim and you will not be required to satisfy a new Elimination Period if:

- a) you were continuously insured under the Policy from the date benefits ended for your prior claim to the date your Recurrent Disability begins; and
- b) your Recurrent Disability occurs within 180 days after the date benefits ended for your prior claim.

In order to prevent over-insurance because of duplication of benefits, benefits payable under this provision will cease if benefits are payable to you under any other Policyholder-sponsored group long-term disability income policy or plan.

LIMITATIONS

Substance Abuse

If you are Disabled and your Disability is a result of Substance Abuse, your benefits will be limited to a total of 24 months while insured under the Policy, unless you are confined as resident inpatient in a Hospital due to your dependency at the end of that 24-month period. The Monthly Benefit will continue to be paid during such confinement.

If you are still Disabled when you are discharged from a Hospital, the Monthly Benefit will be paid for a recovery period of up to 90 additional days. If you become re-confined as a resident inpatient in a Hospital during the recovery period for at least 14 consecutive days, benefits will be paid for the duration of the confinements.

Mental Disorder

If you are Disabled and your Disability is a result of a Mental Disorder, your benefits will be limited to a total of 24 months while insured under the Policy, unless you are confined as resident inpatient in a Hospital due to your Mental Disorder at the end of that 24-month period. The Monthly Benefit will continue to be paid during such confinement.

If you are still Disabled when you are discharged from a Hospital, the Monthly Benefit will be paid for a recovery period of up to 90 additional days. If you become re-confined as a resident inpatient in a Hospital during the recovery period for at least 14 consecutive days, benefits will be paid for the duration of the confinements.

If you are Disabled as a result of more than one condition above, the limitation periods will run concurrently for all limited conditions.

Pre-Existing Condition Limitation

We will not provide benefits for any Disability caused by, attributable to or resulting from a Pre-existing Condition, unless such Disability begins 12 months or more after you are continuously insured under the Policy.

In addition, we will not provide benefits for:

- a) any increase in your insurance;
- b) the addition by amendment of a benefit under the Policy; or
- c) the election after initial enrollment of any benefit provided by amendment to the Policy;

unless stated or allowed in the Policy, for any Disability caused by, attributable to or resulting from a Pre-existing Condition, unless such Disability begins 12 months or more after the date of the increase or change.

EXCLUSIONS

We will not pay benefits for any Disability or loss which:

- a) results from an act of declared or undeclared war or armed aggression;
- b) results from your Participation in a Riot or your commission of or attempt to commit a felony or any type of assault or battery;
- c) results from elective or cosmetic surgery or procedures, or resulting complications (unless such surgery or procedure is medically necessary for the appropriate diagnosis and treatment of your Injury or Sickness in accordance with generally accepted medical standards);
- d) results, whether you are sane or insane, from:
 - 1. an intentionally self-inflicted Injury or Sickness; or
 - 2. attempted suicide;
- e) results from Substance Abuse, except as specifically provided in the Limitations section;
- f) results from a Mental Disorder, except as specifically provided in the Limitations section;
- g) is caused by Substance Abuse, while you are not being actively supervised by and receiving continuing treatment from a rehabilitation center or designated institution approved for such treatment by an appropriate body in the governing jurisdiction, or if none, by us;
- h) occurs while you are incarcerated or imprisoned for any period exceeding 31 days;
- i) is solely a result of a failed drug test; or
- j) is solely a result of a loss of a professional license, occupational license, or certification.

ADDITIONAL BENEFITS

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

INFECTIOUS OR CONTAGIOUS DISEASE BENEFIT

The Infectious or Contagious Disease Benefit protects you if you experience a reduction in your Current Earnings but are not Disabled. If you meet the conditions set forth in this provision, Infectious or Contagious Disease Benefits will be payable, provided you have satisfied the Infectious or Contagious Disease Elimination Period.

Infectious or Contagious Disease Elimination Period

The Infectious or Contagious Disease Elimination Period means 180 consecutive calendar days that must be satisfied before you are eligible to receive your Infectious or Contagious Disease Benefit. The infectious or contagious disease elimination period begins on the first day on which both of the following are satisfied:

- a) you test positive for an Infectious or Contagious Disease; and
- b) you are diagnosed with an Infectious or Contagious Disease.

Infectious or Contagious Disease Benefit Calculation

Benefits under this provision will be payable on a monthly basis during the Maximum Infectious or Contagious Disease Period shown in the Schedule.

For purposes of the Infectious or Contagious Disease Benefit, Basic Monthly Earnings will be calculated based on the date you meet the conditions for receipt of Infectious or Contagious Disease Benefits, rather than the date of Disability and the words "Monthly Benefit" in the definition of Current Earnings will be replaced with the words "Infectious or Contagious Disease Benefit".

The amount of your Infectious or Contagious Disease Benefit will be calculated as follows:

(A divided by B) multiplied by C equals D

A = your Basic Monthly Earnings less any Current Earnings

B = your Basic Monthly Earnings

C = your Monthly Benefit for Total Disability

D = your Infectious or Contagious Disease Benefit

For an Infectious or Contagious Disease Benefit to be payable, you must provide proof to us that satisfies the following conditions:

- a) you are diagnosed with, test positive for and currently have an Infectious or Contagious Disease on or after the Policy Effective Date;
- b) you have never refused to be immunized for the Infectious or Contagious Disease for which you are claiming benefits;
- c) you are unable to generate at least 80% of your Basic Monthly Earnings during the Infectious or Contagious Disease Elimination Period.
- d) one or more of the following has happened as a result of your testing positive for and being diagnosed with an Infectious or Contagious Disease:
 1. your license to practice your Regular Occupation has been revoked; or
 2. you have limitations or restrictions imposed on you by a licensing board, law or regulation in order to maintain your license to practice your Regular Occupation; or
 3. you lose patients as a result of voluntary or involuntary disclosure of your testing positive for and being diagnosed with an Infectious or Contagious Disease.

When Infectious or Contagious Disease Benefits End

Benefits under this provision will end the day:

- a) you no longer have an Infectious or Contagious Disease;
- b) the disease for which you tested positive is no longer an Infectious or Contagious Disease;
- c) the Maximum Infectious or Contagious Disease Benefit Period shown in the Schedule has ended;
- d) you become eligible for Monthly Benefits because you are Disabled;
- e) you are not working to your Maximum Capacity on either a Full-Time or part-time basis;

- f) you no longer meet any of the conditions for the receipt of Infectious or Contagious Disease Benefits;
- g) you have been incarcerated or imprisoned for 31 days or longer;
- h) we have paid you 12 Infectious or Contagious Disease Benefit payments, if you reside outside the U.S., its territories or possessions, or Canada. You will be considered to reside outside of the U.S., its territories or possessions, or Canada if you have been outside of the U.S., its territories or possessions, or Canada for a total period of six months or more during any twelve consecutive month period; or
- i) you die.

If you are receiving benefits under this provision, no other benefits are payable.

REASONABLE ACCOMMODATION BENEFIT

While you are receiving Disability benefits from us, we may pay a Reasonable Accommodation Benefit to the Policyholder if it will enable you to return to work. The purpose of this benefit is to cover costs incurred by the Policyholder to make workplace modifications to assist you. Covered services include:

- a) tools, special seating, equipment and/or furniture;
- b) accessible parking space;
- c) labor costs for installation; and
- d) other services reasonably necessary to help you return to work.

If we determine benefits are payable, we will pay the Policyholder the lesser of:

- a) 100% of the expense incurred for covered services;
- b) \$5,000; or
- c) an amount equal to the total Gross Monthly Benefit that would be payable for the Maximum Benefit Period, less any benefits already paid.

We will pay the benefit once we determine:

- a) you have the physical and mental capability to perform your Regular Occupation or another job for the Policyholder based on your education, training and experience;
- b) there is reasonable prospect the workplace modification will help you return to Active Eligibility based on input from you, your Physician and the Policyholder;
- c) there must be reasonable expectation that rehabilitation services will help you return to Active Eligibility; and
- d) the Policyholder has incurred expenses for the services.

SURVIVOR BENEFIT

We will pay a Survivor Benefit to your Eligible Survivor when we receive proof that you died:

- a) after being Disabled for 180 days; and
- b) while receiving or eligible to receive a Monthly Benefit under the Policy.

The Survivor Benefit will be a lump sum amount equal to three times your Monthly Benefit for the month immediately prior to your death. We will pay the Survivor Benefit to your Eligible Survivor. If there is more than one Eligible Survivor, the Survivor Benefit will be divided equally among such Eligible Survivors. If there are no Eligible Survivors, the Survivor Benefit will not be paid.

If payment becomes due to your Dependent Child or Dependent Children, the payment will be made to:

- a) your Dependent Child; or
- b) a person legally authorized to receive payments on the Dependent Child's or Dependent Children's behalf. This payment will be valid and effective against all claims by the Dependent Child or Dependent Children or by others representing or claiming to represent such Dependent Child or Dependent Children.

VOCATIONAL REHABILITATION BENEFIT

While you are receiving Disability benefits from us, we may pay for a vocational rehabilitation program if it will help you return to some type of work.

The rehabilitation program may start at your or your Physician's request, or we may suggest it. Any rehabilitation program must be mutually agreed upon between you and us. The program must be approved in writing by us before it begins. Covered services may include, but are not limited to:

- a) worksite modification and/or special equipment;
- b) job placement assistance, including resume preparation;
- c) retraining for a new occupation;
- d) educational expenses;
- e) other services reasonably necessary to help you return to work.

Eligibility for vocational rehabilitation assistance is based on your education, training, experience and physical/mental capabilities. To qualify for covered services:

- a) your Disability must prevent you from performing some or all of the Material Duties of your Regular Occupation;
- b) you must have the physical and mental capability to complete a rehabilitation program; and
- c) there must be reasonable expectation that rehabilitation services will help you return to Active Work.

We will make the final determination of any vocational rehabilitation services provided, eligibility for participation and any continued benefit payments. If you fail to participate without Good Cause once we have started to pay vocational rehabilitation benefits, it may result in reduction or termination of Disability benefits. Reduction of benefits will be based on your income potential if you were employed after a vocational rehabilitation program.

We will not duplicate benefits under this provision that are payable under the Reasonable Accommodation Benefit section.

Additional Benefit for IWRP

A more comprehensive type of vocational rehabilitation program involves the development of an Individual Written Rehabilitation Plan (IWRP). If you participate in an IWRP, we will increase the Monthly Benefit by 5% and continue to pay Disability benefits. Eligibility for further payment of the Monthly Benefit will be assessed at the completion of the IWRP.

We will develop the IWRP, which may include input from you, your Physician and the Policyholder. The IWRP will describe:

- a) the vocational rehabilitation goals and services;
- b) our duties, your duties and those of any third parties associated with the IWRP;
- c) the times and dates of the vocational rehabilitation services;
- d) the expected duration of the IWRP; and
- e) all costs associated with the services.

ELIGIBILITY

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

WHEN YOU BECOME ELIGIBLE FOR INSURANCE (ELIGIBILITY WAITING PERIOD)

If you complete the 30 day Eligibility Waiting Period on or before the Policy Effective Date, you become eligible for insurance on the Policy Effective Date.

If you are not eligible for insurance on the Policy Effective Date, or if you are hired after the Policy Effective Date, you become eligible for insurance the day after you complete the 30 day Eligibility Waiting Period.

The day you become eligible for insurance may not be the same as the day your insurance begins. The WHEN YOUR INSURANCE BEGINS provision describes the day your insurance begins.

WHEN INSURANCE BEGINS

You become insured on the first day of the month that coincides with or follows the day you become eligible and are Actively Working.

EVIDENCE OF INSURABILITY

Evidence of Insurability is not required for any amount of insurance under the Policy, unless otherwise stated in this Certificate.

EXCEPTIONS TO WHEN INSURANCE BEGINS

This provision does not apply if you are eligible for insurance under the CONTINUITY OF INSURANCE UPON TRANSFER OF INSURANCE CARRIER provision.

If you are not Actively Working due to:

- a) Injury or Sickness;
- b) confinement in a Hospital as an inpatient;
- c) confinement or assignment to a bed as a resident inpatient in any institution or facility other than a Hospital; or
- d) being housebound and under the care or supervision of a Physician;

on the day insurance would otherwise begin, insurance will not take effect until the day after you are released by your Physician and you return to Active Work.

If you are not Actively Working when insurance would otherwise begin for reasons other than those listed above, insurance will not take effect until the day you return to Active Work.

WAIVER OF COVERAGE

You may waive coverage:

- a) for religious or faith-based reasons;
- b) to avoid possible federal and/or state income tax liability; or

CONTINUITY OF INSURANCE UPON TRANSFER OF INSURANCE CARRIER

If you are not Actively Working on the Policy Effective Date due to Injury or Sickness, but were covered under a Prior Plan on the day before the Policy Effective Date, upon payment of the premium, you will be insured under the Policy if you resume Active Work.

EFFECT OF A PRE-EXISTING CONDITION WITH PRIOR COVERAGE

Prior Group Disability Plan Coverage Maintained by the Policyholder

If you become insured under the Policy on the Policy Effective Date and were insured under a Prior Plan, any benefits payable under the Policy for a Disability due to a Pre-existing Condition will be determined as follows:

- a) If you cannot satisfy the PRE-EXISTING CONDITION LIMITATION provision of the Policy, but have satisfied the pre-existing condition provision under the Prior Plan, giving consideration towards continuous time insured under both plans, we will pay the lesser of the benefit:
 1. that would have been paid under the Prior Plan; or
 2. payable under the Policy.
- b) If you cannot satisfy the PRE-EXISTING CONDITION LIMITATION provision under the Policy or of the Prior Plan, no benefit under the Policy will be payable.

Prior Group Disability Plan Coverage Not Maintained by the Policyholder

If you become insured under the Policy after the Policy Effective Date and were insured under an employer's group long-term disability plan provided by your previous employer, and not maintained by the Policyholder, within 31 days prior to the day you become employed with the Policyholder, any benefits payable under the Policy for a Disability due to a Pre-existing Condition will be determined as follows:

CHANGES TO INSURANCE BENEFITS

Any allowable change in the benefits, class or amount of insurance, whether requested by you or the Policyholder, or as a result of the terms of the Policy, will take effect on the first day of the month that follows the date of the request or the change.

For any increase in insurance, we will use the Policyholder's records and/or the premium we receive to verify that the amount of insurance requested is the appropriate insurance amount you are eligible for under the terms of the Policy.

If you are not Actively Working on the day any increase in insurance would otherwise take effect, the increase becomes effective the first day of the month that follows the day you return to Active Work.

In no event will any change take effect during a period of Disability.

REINSTATEMENT OF INSURANCE

You may be eligible to reinstate insurance that has ended in accordance with this provision.

Reinstated insurance will take effect on the date you become eligible for insurance. If you are not Actively Working on the day the reinstated insurance would otherwise take effect, insurance becomes effective on the day you return to Active Work.

Involuntary Reduction in Hours

If insurance ends because you are no longer Actively Working due to an involuntary reduction of hours worked, insurance may be reinstated without satisfying another Eligibility Waiting Period if you return to Active Work within 90 days from the date insurance ended.

Rehired Employee Due to Layoff or Termination

If insurance ends because you are no longer Actively Working due to layoff or termination of employment with the Policyholder, insurance may be reinstated without satisfying another Eligibility Waiting Period if you are rehired and return to Active Work within 90 days from the date insurance ended. All other Policy provisions, except the PRE-EXISTING CONDITION LIMITATION provision, apply. Credit will be given towards satisfaction of the PRE-EXISTING CONDITION LIMITATION provision previously served under the Policy.

Rehired Employee Due to Leave of Absence

If insurance ends because you are no longer Actively Working due to an approved leave of absence, insurance may be reinstated within 90 days from the date insurance ended without satisfying another Eligibility Waiting Period upon return to Active Work. If insurance ends because you are no longer Actively Working due to military leave, insurance may be reinstated upon return to Active Work within 31 days of discharge from active duty without satisfying another Eligibility Waiting Period. All other Policy provisions, except the PRE-EXISTING CONDITION LIMITATION provision, apply. Credit will be given towards satisfaction of the PRE-EXISTING CONDITION LIMITATION provision previously served under the Policy.

WHEN INSURANCE ENDS

Insurance ends:

- a) the day you are no longer eligible for insurance under the Policy;
- b) the day you begin active duty in the Armed Forces, National Guard or Reserves of any state or country (except for temporary active duty of 31 days or less), unless otherwise stated or allowed in the Policy;
- c) the day the Policy terminates; or
- d) in accordance with the GRACE PERIOD provision.

If you are Disabled on the day the Policy terminates, benefits will continue subject to the WHEN DISABILITY BENEFITS END provision in the Schedule.

EXCEPTIONS TO WHEN INSURANCE ENDS

If your insurance would otherwise end, you may be able to continue insurance under one of the following provisions:

- a) CONTINUATION OF INSURANCE DURING DISABILITY (WITH WAIVER OF PREMIUM)
- b) CONTINUATION OF INSURANCE FOR FEDERAL AND STATE LAWS

CONTINUATION OF INSURANCE DURING DISABILITY (WITH WAIVER OF PREMIUM)

If you become Disabled, your insurance will continue without payment of premium for as long as you are entitled to receive Monthly Benefits, except that premium must be paid during the Elimination Period. Premium will be waived from the first day of the month following the end of the Elimination Period through the last day of the month in which your last Disability benefit payment under the Policy is issued.

CONTINUATION OF INSURANCE FOR FEDERAL AND STATE LAWS

If there is a conflict between this provision and any other provision of the Policy, this provision controls.

The federal Family and Medical Leave Act (FMLA) and Uniformed Services Employment and Reemployment Rights Act (USERRA) and any amendments thereto, as well as other applicable federal or state laws, may allow continuation of insurance in certain instances. You may be able to continue insurance from the day you cease to be Actively Working due to one of these laws.

Any insurance continued under this provision is subject to the following conditions:

- a) insurance may not be continued beyond the time period allowed by FMLA, USERRA or applicable federal or state law that allows for continuation;
- b) the amount of insurance may not be increased while insurance is continued under this provision; and
- c) we continue to receive premium payment when due (premiums must be paid by you or on your behalf).

Insurance under this provision ends on the day the earliest of the day:

- a) the time period in a) in the preceding paragraph has been satisfied;
- b) you return to Active Work;
- c) you begin full-time employment with an employer other than the Policyholder; or
- d) the Policy terminates.

Insurance under this provision also ends in accordance with the GRACE PERIOD provision.

See the OPTIONS FOR PAYMENT OF PREMIUM FOR CONTINUED INSURANCE provision in the Premium Payments section of this Certificate for premium payment options.

PREMIUM PAYMENTS

Capitalized terms used in this section have the meanings assigned to them in the Definitions section of this Certificate.

OPTIONS FOR PAYMENT FOR PREMIUM FOR APPROVED CONTINUATION OF INSURANCE

When insurance is continued, we must receive premium payment when due for insurance to remain effective, unless otherwise stated or allowed in the Policy. Premium payment may be made in the following ways:

- a) the Policyholder may pay the premiums; or
- b) you may pay premium to the Policyholder who will then submit premium to us.

Contact the Policyholder to determine which option is available to you.

Payment of premium does not guarantee eligibility for coverage.

GRACE PERIOD

There is a grace period of 31 days for payment of premium. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 31-day grace period that follows. We consider premium to be paid on the date we receive it.

Insurance will stay in force during the grace period as long as premium is paid before the end of the grace period. If we receive written notice requesting cancellation of insurance on a current or future date, the grace period will not apply. Coverage will end on the cancellation date specified in such notice, as long as the full premium has been paid up to that date.

If premium is not paid by the end of the grace period, insurance will end the day after the last day of the grace period.

PREMIUM AND PREMIUM CHANGES

The premium for insurance under the Policy is a monthly rate.

The premium for insurance under the Policy is paid (in full) by the Policyholder. Contact the Policyholder for additional information on the current premium for the Policy.

If you request a change in the amount of insurance, the Policyholder will provide you with notice of your new premium amount upon request if you are responsible for the payment of premiums for insurance.

If there is a change in the amount of the premium for insurance in accordance with the terms of the Policy, the Policyholder will provide you with notice of the change at least 15 days prior to the date of the change if you are responsible for the payment of premium for insurance.

Premium amounts will change if premium rates under the Policy change.

We will credit any such payments to the refund until the refund is fully recovered.

If it is found that we paid less benefits than we should have paid under the Policy, we will make additional payment(s), as necessary.

AUTHORITY TO INTERPRET POLICY

The following applies only when the administration of the policy is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.:

By purchasing the Policy, the Policyholder grants us the discretion and the final authority to construe and interpret the Policy. This means that we have the authority to decide all questions of eligibility and all questions regarding the amount and payment of any Policy benefits within the terms of the Policy as interpreted by us. Benefits under the Policy will be paid only if we decide, in our discretion, that a person is entitled to them. In making any decision, we may rely on the accuracy and completeness of any information furnished by the Policyholder, you or any other third party.

The Policyholder further grants us the authority to delegate to third parties, our affiliates, and any third party administrator with whom we have contracted to provide claims administration and other administrative services, the discretionary authority granted in the Policy. The Policyholder expressly grants such third party the full discretionary authority granted to us under this Policy.

You or your beneficiary has the right to request a review of our decision. If, after exercising the Policy's review procedures, you or your beneficiary's claim for benefits is denied or ignored, in whole or in part, you or your beneficiary may file suit and a court will review your or your beneficiary's eligibility or entitlement to benefits under the Policy.

- a) Receive Information About Your Plan and Benefits

1. Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
2. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.
3. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

b) Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

c) Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

d) Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
