BayCare Clinic Century

Naming Rights Opportunities

The BayCare Clinic Century brings together more than 800 cyclists dedicated to making a difference in our community by supporting health and wellness initiatives. As a “naming rights” sponsor, you’ll be an essential part of their journey, offering vital support and gaining premium brand visibility at every stage of the event.

Rest Stops \$10,000

With six rest stops along the route, you can support riders’ endurance and determination by sponsoring one of these vital stops. Your company will enjoy prominent branding at each sponsored rest stop, featuring custom banners and signage, as well as your logo showcased on riders’ t-shirts as a key supporter.

Post Ride Meal \$10,000

Celebrate the finish line with riders, volunteers, and supporters by sponsoring the post-ride meal. Your brand will be displayed at the meal venue on event banners and signage, and your logo will be featured on the event t-shirts, reaching hundreds of participants and attendees.

Breakfast & Beverages \$10,000

Keep riders fueled and refreshed by sponsoring the pre-ride breakfast and post-ride celebration drinks! Your brand will be prominently displayed at beverage stations and on signage throughout the event, with your logo featured on t-shirts worn by both riders and event staff.

Additional Sponsorship Benefits:

In addition to naming rights and t-shirt logo placement, naming rights sponsors will receive further benefits to maximize visibility and engagement:

- **Logo Placement** – Your company logo will appear on BayCare Century jerseys, event banners, digital platforms, and all promotional materials.
- **Event Day Presence** – Enjoy a dedicated booth or activation space to engage directly with riders, spectators, and volunteers, with the opportunity to distribute branded items and showcase your products or services.
- **Media Coverage** – Your brand will be included in press releases, media appearances, and advertising efforts, reaching thousands of people through TV, radio, and online platforms.
