

COMMON WORKPLACE INJURIES

- Slips, Trips, and Falls on the Same Level
- Muscle Strains and Sprains
- Blunt Force Trauma (Impact Injuries)
- Repetitive Strain Injuries (RSIs)
- Cuts, Lacerations, and Puncture Wounds
- Overexertion and Fatigue-Related Injuries
- Falls from Heights (Ladders, Scaffolding, etc.)
- Ergonomic-Related Injuries (Poor Posture, Improper Workstation Setup)
- Heavy Equipment and Machinery Accidents
- Orthopedic Injuries (Fractures, Dislocations, Joint Damage)
- Crush Injuries (Caught-In/Between Incidents)
- Vehicle-Related Accidents (Forklifts, Delivery Vehicles, etc.)

BILLING INFORMATION

- Your workers comp carriers name and address
- Your date of injury
- Your claim number
- Your adjusters or case managers contact information (if you've been assigned one)

To support the injured worker, we request their personal insurance information because workers' compensation payments aren't guaranteed until the healing process is complete. This allows our team to secure prior authorization for services through both the workers' compensation and personal insurance plans.

Request an appointment to see our doctors at any of these locations:

Horizon Square
1110 Kepler Drive in Green Bay

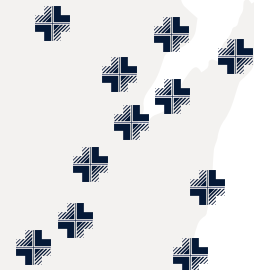

Aurora Medical Center - Bay Area
3003 University Drive in Marinette

Aurora Health Center

Returning with Strength.*

WORKERS COMPENSATION TEAM

Erica Malzahn, LPN
920-301-1510
erica.malzahn@baycareclinic.com

Erica joined BayCare Orthopedics and Sports Medicine in 2018 as a float nurse, gaining broad orthopedic experience. In 2022, she became the Workers' Compensation Coordinator, focusing on safety and work comp support.

Gregory Nystrom, DC, DACBSP
920-301-1632
greg.nystrom@baycareclinic.com

Dr. Nystrom specializes in musculoskeletal health, work-related injuries, and sports injuries. With extensive expertise in Workers' Compensation cases, he is committed to providing the highest standard of care in injured workers, utilizing his knowledge to support their recovery and rehabilitation.

HOW OUR WORKER'S COMPENSATION NURSE HELPS YOU

- Joins site tours to understand light-duty roles and safety needs.
- Attends office visits with injured employees and shares updates with all parties.
- Offers employers quick access via phone and email.
- Collaborates with therapy teams on return-to-work plans.
- Secures same-day or 48-hour appointments.

WHAT WE OFFER FOR WORKERS & EMPLOYERS

Fast, Reliable Access

- Same-day appointments available, guaranteed within 48 hours, to reduce delays and support faster recovery.

Comprehensive, Coordinated Care

- Full range of surgical and non-surgical treatment options.
- Same-day imaging available for efficient diagnostics.
- A dedicated workers' comp nurse supports each case—attending clinical visits, answering questions, and guiding treatment and return-to-work plans.

Clear, Consistent Communication

- Return-to-work notes with restrictions and care plans provided at every visit.
- Ongoing updates on treatment progress and future appointments shared with both workers and employers.

Support for Workers and Employers

- Assistance with denied claims and appeals.
- Direct collaboration with employers to ensure a safe, timely return to work.
- Dedicated nurse contact via phone and email for streamlined communication.

"We understand the impact a work injury can have on the employer – not just from a medical standpoint, but also from an operational and financial perspective."
